

.RICH Reserved Domain Name Policy

According to its Registry Agreement with ICANN (including paragraph 2.6 and Specification 5) I-REGISTRY Ltd. (“Registry”) has the discretionary right to reserve domain names at any time. In addition, the Registry may at any time establish or modify policies concerning Registry’s ability to reserve (i.e. withhold from registration or allocate, assign, designate, otherwise earmark to Registry or third parties) or block additional character strings within the .RICH gTLD at its discretion and within the framework of applicable ICANN requirements.

The Registry may release or register reserved domain names in accordance with applicable ICANN requirements and handling procedures or procedures otherwise developed by the Registry.
